

Public Member Declaration Form

It is important, for the purpose of protecting the public needs and wants, that the PTAG Certification Board, at all times, have one or more public member/s.

A public member cannot be a certified personal trainer, have an immediate family member who is a certified personal trainer, derive more than 5% of household income from personal training services, or be employed within the last 5 years by a certification organization or its equivalent.

It is preferred, although not required, that a public member of the certification board either be personal training client, or intend to use personal training services in the future.

If you meet these guidelines and would like to become a public member of the PTAG Certification Board, please submit this completed form for review. If a majority vote of the PTAG CB selects you, you will be elected to serve a term of 5 years as a public member.

Please complete, then submit the following information:
